DETAILED ACTION

1. Applicant's election with traverse of the species II in the reply filed on June 14, 2004 is acknowledged. The traversal is on the ground(s) that claim 23 is generic to the species II. This is not found persuasive because Claim 23 is not generic since it does not cut the sheet and grind at least one surface of the sheet.
2. This application is in condition for allowance except for the presence of claims 1-4,6,7,11,12,14,18,19,21-44,46-53 to an invention non-elected with traverse in the reply filed on June 14, 2004. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
